

About the Firm.....

A Service Company

The Architectural Alliance Group, LLC is a multi-discipline collaboration specializing in providing services unique to the design and construction industries. AAG provides a unique and unlimited list of capabilities due to our vast corporate networking. Within our alliance are companies of all sizes and disciplines. As the Principle-in-Charge, AAG coordinates and supervises multiple disciplines such as architectural, structural, civil, mechanical and electrical, to mention a few. When necessary, AAG adds to the team specialized consultants such as industrial hygienists and acoustical engineers. As the Coordinating Expert, we offer our clients a powerful resource and a recipe for success.

About the Owner

Mr. Paul W. Logan, AIA, NCARB, ICC, founder and CEO of The Architectural Alliance Group, LLC has practiced in the field of architecture and design for the past twenty years. After relocating to Colorado in 1991, Mr. Logan has worked for various architectural firms of all sizes all along the Front Range.

Currently a licensed Architect in Arizona, Colorado, North Carolina and Wyoming, Mr. Logan is certified by the National Council of Architectural Registration Board, simplifying the reciprocal process in other states. Mr. Logan is also certified by the International Code Council as a Building Plans Examiner under the Uniform Building Code and International Building / Residential Codes.

History

In 1997, Mr. Logan began his own practice to better provide individualized attention to each project. Originally beginning as a sole owner and representative, the practice has evolved into an "alliance", consisting of a specific network of architects, engineers and contractors, all serving the design and construction industries through professional practice. In addition to providing standard architectural services, AAG focuses on unique services within the design and construction industries including *alternative dispute resolution*, *expert witness* and *litigation support services*, *forensics*, *risk management* and *owner representation*.

Firm Mission

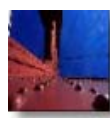

The Architectural Alliance Group, LLC is dedicated to providing quality, creative and innovative solutions. It is AAG's mission to assist conflicting parties by identifying the underlying issues and presenting alternative methods which are team oriented and mutually beneficial. AAG understands that successful conflict resolution is about more than just resolving problems.....*its about creating solutions.*
